Mr. Jake Lucas
Simplex Strip Doors
14500 Miller Avenue
Fontana, CA 92336

Jake,

To recap our discussion regarding the LEED documentation, please be advised that the product you purchase from Win Plastic Extrusions, LLC is manufactured with up to 5% of post consumer recycled PVC and with up to 20% of our post industrial recycled PVC.

I hope that this information is helpful. Should you have additional questions, please feel free to call.

Best regards,

Ron Seese
Supply Chain Manager
